FAB

30 Hollywood Rd, Central, 2810 1600; french-creations.com/fab. As it's the season for all things Gallic, head to Hollywood's French American Bistro and raise a glass to toast Le French May. In celebration of the annual fest, the restaurant is serving a selection of typically French dishes. Try the grilled crayfish with mushrooms and vegetable julienne (\$138) and also make sure you sample some of the frogs' legs (\$128). Or go for the amazing combo platter, which features Gallic meats and cheeses, without the amphibians (\$295).
